## EXECUTIVE SUMMARY

---

I am a flexible individual with proficiency in technical field, with a emphasis on software engineering. I streamline operations,improve user experiences, and create and implement creative solutions. My abilities facilitate strategic alignment and project execution with ease, resulting in outstanding outcomes and ongoing progress.

## SKILLS

---

**Technical Skills:** Python, Html, JavaScript, Dart  
**Soft Skills:** Problem-Solving, Leadership, Communication, Collaboration  
**Tools:** Visual Studio Code, Git

## EDUCATION

---

- **Info Institute Of Engineering**, B.E (Computer Science and Engineering) 2021 - 2025, CGPA: 8.1
- **T.K.S.Hr.Sec,School** (Bio-maths) 2020 - 2021, Percentage: 85

## INTERNSHIP EXPERIENCE

---

**Web Development Intern, Coderscave:** 2024  
Interned as a Web Developer at CodersCave, gaining hands-on experience with HTML, CSS, and JavaScript while building responsive, user-friendly web applications and collaborating with the development team.

## PROJECT EXPERIENCE

---

**Travel Blog site:** Sep. 2024  
Created a blog website using(HTML, CSS, and JavaScript). This project aimed to create a dynamic and user-friendly platform for sharing Travel experience and engaging with readers.

**Green Harbour:** Jan. 2024  
Developed for Google Solution Challenge 2024 Hackathon, Green Harbour is an agro-based platform that connects farmers with agricultural experts. It provides real-time updates on new seeds and benefits

**Notes Sharing Web Application Using Django:** Apr. 2024  
Developed a Django-based application with organized content access, upload capabilities, and login for safe note exchange between educators and students.

**AI-Powered Virtual Professor and Concept Visualizer:** May. 2025  
Using React.js, FastAPI, Gemini API, Firebase. We created an AI-powered web application that can automatically create mind maps based on multimodal inputs and natural language processing (NLP) and offer real-time academic assistance.

## LEADERSHIP AND VOLUNTEER EXPERIENCE

---

**Ex,GDG Core Team member** Aug. 2024 - Mar. 2025  
**Ex,GDSC Cloud lead** Aug. 2023 - Jul. 2024

## CERTIFICATIONS

---

- Web Development - CodersCave
- Python for Beginners - in28mins(Udemy)
- Foundation of Cybersecurity - Google
- Cybersecurity Analyst Job Simulation - TCS(Forage)
